**WHEREAS**, Section 4-8 of the Norwich Code of Ordinances, authorized pursuant to Connecticut General Statute Section 7-148(c)(2)(B) as establishing a procedure for the withholding of approval of building application when taxes are delinquent for the property for which the application is made, and was adopted February 21, 2006 to promote the collection of delinquent taxes; and

In such instance he shall advise the building official of his determination and the building official may issue any building permit or any certificate of occupancy as he determines to be required and appropriate. Nothing contained herein however, shall authorize the city manager to suspend the provisions of Section 4-8 so as to permit the approval of an application for a subdivision of property on which taxes are delinquent.*
