

DISC GOLF SUBCOMMITTEE  
MOHEGAN PARK IMPROVEMENT & DEVELOPMENT  
ADVISORY COMMITTEE

Special Meeting Wednesday, June 3, 2020 - - 6:00 PM  
Meeting Minutes

**1. CALL TO ORDER - 6:01pm**

Members present Beryl Fishbone - Alderwoman Stacy Gould - Samantha Venturo  
- Rebecca Melucci - Public Works Director Pat McLaughlin - Chair Kyle Seitz

**2. OLD BUSINESS**

*a. Disc Golf Update, possible change of course location*

Opened with discussion on new location proposal:

Alderwoman Gould - new location is perfect, lends itself to be very user friendly, no new parking area needed to be established, friends could sit at the pavilion while participant play, it's also close to the beach. Win/win for the city. Hopeful that participants will utilize other assets in the park and City.

Becki - Happy that there is a parking lot present. Possibly issue with parking on side of road. Discussed invasive plants and rocks.

Beryl - Likes the new location. Likes that there isn't a lot of undergrowth. Discussed rocks and invasive plants in location.

Director McLaughlin - No reports of previous pedestrian crossing the road issue. Mentioned that the new proposal may not be specific to for exact hole locations, but the proposal is to move it from wilderness rd. to Mohegan Park Rd.

Sam Venturo - Like the new area and has walked it. Can work on removing bittersweet. Likes the course being in a more centralized area.

Chair Kyle Seitz - Motion to move the location of the course from Wilderness Rd. to new location at Mohegan Park Rd. - Seconded by Sam Venturo.

Discussion: none

Roll Call Vote: Beryl Fishbone - Yes  
Alderwoman Stacy Gould - Yes  
Samantha Venturo - Yes  
Rebecca Melucci - Yes

Chair Kyle Seitz - Yes

Alderwoman Gould - suggested we amend the motion to included that we are making the recommendation to move the location of the course to the MPIDAC.

Chair Kyle Seitz - Amended the motion:

New motion: Motion to move the location of the course from Wilderness Rd. to new location at Mohegan Park Rd. and forward recommendation to MPIDAC - Seconded by Sam Ventura.
