To: Mayor Hinchey and members of the City Council
From: John Salomone, City Manager
Subject: City Manager's Report
Date: June 6, 2016

National Police Week was the week of May 16th through the 22nd. On Tuesday of that week Mayor Hinchey and I attended a ceremony at the Norwich Police Department to honor the men and women of the Norwich Police Department.

On May 19th we honored our volunteer docents with a reception. Currently we have 22 active docents who volunteer their time to greet and direct visitors to City Hall. Many of the docents were able to attend the reception, where they were given a certificate in appreciation of their service.

Considerable time was spent in the last several weeks with union negotiations for the Fire Department and Police Department, as well as for budget discussions.

I met with a representative from HD Segur Insurance to discuss future insurance ideas.

I attended meetings at the Southeastern Connecticut Council of Governments, Public Parking Commission, and the Norwich Community Development Corporation.

I, along with Mayor Hinchey and staff from Public Works attended a meeting with the State of Connecticut DAS Commissioner to discuss the relocation of the Adult Probation office currently located in Norwich City Hall.

I also attended the Norwich Heritage and Regional Visitors Center season opening on May 25th, where they officially launched the Uncas Leap Trail and Benedict Arnold Trail, both of which are part of the Walk Norwich trail system.

We have begun the process of selecting an Assistant to the City Manager. We received over 150 applications for this position.
