Section 4-41. Determination of Excessive Rent

- (a) In determining whether a rental charge or a proposed increase in a rental charge is so excessive, with due regard to all the circumstances, as to be harsh and unconscionable, the commission shall consider such of the following circumstances as are applicable to the type of accommodation:
 - (1) The rents charged for the same number of rooms in other housing accommodations in the same and in other areas of the municipality;
 - (2) the sanitary conditions existing in the housing accommodations in question;

 - (11) damages done to the premises by the tenant, caused by other ordinary wear and tear;
 - (12) the amount and frequency of increases in rental charges;
 - (13) whether, and the extent to which, the income from an increase in rental charges has been or will be reinvested in improvements to the accommodations.

- (b) Nothing in this section shall preclude the Commission from considering other relevant circumstances.
- (c) The rent of a tenant protected by C.G.S. §47a-23c who timely and properly files a complaint with the commission pursuant to C.G.S. §47a-23(c)(1) may be increased only to the extent that such increase is fair and equitable based on the criteria set forth in §7-148c of the Connecticut General Statute.

Section 4-42. Procedures and Hearing on Complaints

- (a) The commission shall receive complaints from any person alleging a violation of this Article which violation is within the power of the commission to act upon, which complaint must be in writing utilizing forms provided by the commission. The commission shall not be obligated to schedule a hearing for any complaint filed until the complaint complies with the commission's filing requirements. Upon the receipt of a complaint made utilizing the forms provided by the commission, the commission shall promptly notify all parties in writing of the receipt of the complaint.
 - i. Such notice shall also inform the parties that the landlord is prohibited from retaliating against the tenant due to the filing of the complaint.
 - ii. It shall also inform the parties that, until a decision on the complaint is made by the commission, the tenant's liability shall be for the amount of the last rent prior to the increase complained of or, if there is no such increase, the last agreed-upon rent, and that an eviction based upon non-payment of rent cannot be initiated against a tenant who continues to pay the last agreed-upon rent during the pendency of the fair rent commission proceeding.
- (b) In accordance with the state Freedom of Information Act, both the hearing itself and the deliberation by the commission shall be open to observation by the public.
- (c) If a complaint alleges housing conditions that violate a housing, health, building, or other code or statute, the commission shall notify the appropriate municipal official or agency, which may then concurrently exercise its own powers. In addition, the commission may request that the appropriate municipal official or agency promptly investigate and provide a report to the commission.
- (d) If two or more complaints are filed against the same landlord by tenants occupying different rental units in the same building, complex, or mobile home park that appear to raise the same or similar issues, the commission may consolidate such claims for hearing.
- (e) A hearing on a complaint shall be scheduled no later than thirty (30) days after the filing of the complaint, unless impracticable. Written notice of the date, time, and place of the hearing shall be given to the parties to the complaint at least ten (10) days prior to the hearing by first class and certified mail and, if practicable, by electronic mail. Hearings may be continued to later dates for reasons satisfactory to the commission and stated on the record.
- (f) The testimony taken at a hearing shall be made under oath. Hearings shall be recorded.
- (g) In the event that there is insufficient time to complete a hearing or for other cause, the commission shall have the power to continue or adjourn the hearing to another time and date.
- (h) No sale, assignment, transfer of the housing accommodation in question, or attempt to evict the tenant shall be cause for discontinuing any pending proceeding nor shall it affect the rights, duties, and obligations of the commission or the parties.

Section 4-43. Rent Reduction Order and Repairs

- (a) The commission shall render its decision at the same meeting at which the hearing on the complaint is completed or within thirty (30) days following such date, unless impracticable.
- (b) Until a decision on the complaint is made by the commission, the tenant's liability shall be for the amount of the last rent prior to the increase complained of or, if there is no such increase, the last agreed-upon rent.
- (c) If the commission determines after a hearing that the rental charge or proposed increase in the rental charge for any housing accommodation is so excessive, based on the standards and criteria

set forth, as to be harsh and unconscionable, it may order that the rent be limited to such an amount as it determines to be fair and equitable, effective the month in which the tenant filed the complaint.

(d) The commission's orders may include, but are not limited to, a reduction in a rental charge or proposed rent increase; a delay in an increased rental charge until specified conditions, such as compliance with municipal code enforcement orders, have been satisfied; or a phase-in of an increase in a rental charge, not to exceed a fair and equitable rent, in stages over a period of time. Commission orders shall be effective for at least one (1) year from the date of issuance unless the commission otherwise orders.

Section 4-44. Retaliation

- (a) No landlord shall engage in retaliatory actions. Retaliatory actions by a landlord include but are not limited to the following:
- i. Refusing to renew the lease or other rental agreement of any tenant; bringing or maintaining an action or proceeding against the tenant to recover possession of the dwelling unit; demanding an increase in rent from the tenant; decreasing the services to which the tenant has previously been entitled; or verbally, physically, or sexually harassing a tenant because a tenant has filed a complaint with the fair rent commission;
 - ii. Engaging in any other action determined by the commission, after a hearing, to constitute landlord retaliation.

Section 4-45. Appeals

Any person aggrieved by any order or decision of the commission may appeal to the Superior Court within thirty (30) days of the issuance of the written notice of the decision to the parties. Such notice shall include notice of the right to appeal, the court to which an appeal may be taken, and the time in which an appeal must be filed. Unless otherwise directed by the commission or the court, the filing of an appeal shall not stay any order issued by the commission.

Section 4-46. Failure to Comply with Commission Orders

- (a) Any person who violates any order of rent reduction or rent suspension by demanding, accepting, or receiving an amount in excess thereof while such order remains in effect, and no appeal pursuant to § 7-148e is pending, or who violates any other provision of this chapter or C.G.S. § 47a-20 or 21-80a or who refuses to obey any subpoena, order, or decision of the commission pursuant thereto shall be fined not less than \$25 nor more than \$100 for each offense.

- i. If such offense continues for more than five days, it shall constitute a new offense for each day it continues to exist thereafter.

The commission, in its own name or through the municipality, may bring a civil action to any court of competent jurisdiction or take any other action in such a court to enforce any order of the commission made pursuant to this subchapter, or to enjoin a violation or threatened violation of any order of the commission.

AN ORDINANCE APPROPRIATING \$6,000,000 FOR THE CITY OF NORWICH INFRASTRUCTURE IMPROVEMENT PROGRAM (2023) AND AUTHORIZING THE ISSUE OF \$6,000,000 BONDS OF THE CITY TO MEET SAID APPROPRIATION AND PENDING THE ISSUANCE THEREOF THE MAKING OF TEMPORARY BORROWINGS FOR SUCH PURPOSE

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF NORWICH:

Section 1. The sum of \$6,000,000 is appropriated for the planning, acquisition and construction of the City of Norwich Infrastructure Improvement Program (2023) (the “Project”). The Project shall consist of the improvement or new construction of roads, bridges and bridge structures, parking structures, sidewalks, piers and wharves, and appurtenant areas throughout the City of Norwich (the “City”). The specific improvements shall be determined from time to time by the Public Works Director and City Manager. Project improvements may consist of, but are not limited to, blasting, horizontal and vertical realignment, drainage installation, paving, curbing, milling, capping, landscaping and reclamation and for improvements to structures or utilities, incidental, appurtenant or encountered in the course of such improvements and for engineering, design, traffic control, administrative, consulting, advertising, printing, legal and financing costs related thereto. Said appropriation shall be in addition to grant funding and all prior and future appropriations for said purpose.

Section 2. The total estimated cost of the Project is \$6,000,000. No portion of the Project cost is expected to be paid from other sources other than the proposed bond issue. The estimated useful life of the Project is twenty (20) years. The Project is a general benefit to the City and its general governmental purposes.

Section 3. To meet said appropriation \$6,000,000 bonds of the City, or so much thereof as may be necessary for said purpose, may be issued, maturing not later than the twentieth (20th) year after their date, or such later date as may be allowed by law. Said bonds may be issued in one or more series as shall be determined by the City Manager and the Comptroller, and the amount of bonds of each series to be issued shall be fixed by the City Manager and the Comptroller, provided that the total amount of bonds to be issued shall not be less than an amount which will provide funds sufficient with other funds available for such purpose to pay the principal of and the interest on all temporary borrowings in anticipation of the receipt of the proceeds of said bonds outstanding at the time of the issuance thereof and to pay for the administrative, printing and legal costs of issuing the bonds. The bonds shall be in the denomination of \$1,000 or a whole multiple thereof, be issued in bearer form or in fully registered form, be executed in the name and on behalf of the City by the manual or facsimile signatures of the City Manager and the Comptroller, bear the City seal or a facsimile thereof, be certified by a bank or trust company designated by the City Manager and the Comptroller, which bank or trust company may be designated the registrar and transfer agent, be payable at a bank or trust company designated by the City Manager and the Comptroller, and be approved as to their legality by Pullman & Comley, LLC, Bond Counsel. They shall bear such rate or rates of interest as shall be determined by the City Manager and the Comptroller. The bonds shall be general obligations of the City and each of the bonds shall recite that every requirement of law relating to its issue has been duly complied with, that such bond is within every debt and other limit prescribed by law, that the full faith and credit of the City are pledged to the payment of the principal thereof and the interest thereon and shall be paid from property taxation to the extent not paid from other funds available for the payment thereof. The aggregate principal amount of the bonds, annual installments of principal, redemption provisions, if any, the date, time of issue and sale and other terms, details and particulars of such bonds, shall be

determined by the City Manager and the Comptroller in accordance with the requirements of the General Statutes of Connecticut, as amended (the "Statutes"). In connection with the issuance of any bonds or notes authorized herein, the City may exercise any power delegated to municipalities pursuant to Section 7-370b of the Statutes, including the authority to enter into agreements managing interest rate risk. The City Manager and Comptroller, on behalf of the City, shall execute and deliver such reimbursement agreements, letter of credit agreement, credit facilities, remarketing, standby marketing agreements, standby bond purchase agreements, and any other commercially necessary or appropriate agreements which are necessary, appropriate or desirable in connection with or incidental to the sale and issuance of such bonds or notes.

Section 4. The issue of the bonds aforesaid and of all other bonds or notes of the City heretofore authorized but not yet issued, as of the effective date of this ordinance, would not cause the indebtedness of the City to exceed any debt limit calculated in accordance with law.

Section 5. Said bonds shall be sold by the City Manager and Comptroller in a competitive offering or by negotiation, in their discretion. If sold at competitive offering, the bonds shall be sold upon sealed proposals, auction or similar process, at not less than par and accrued interest on the basis of the lowest net or true interest cost to the City.

Section 6. The City Manager and the Comptroller are authorized to make temporary borrowings in anticipation of the receipt of the proceeds of any series of said bonds. Notes evidencing such borrowings shall be signed by the manual or facsimile signatures of the City Manager and the Comptroller, have the seal of the City or a facsimile thereof affixed, be payable at a bank or trust company designated by the City Manager and the Comptroller, be certified by a bank or trust company designated by the City Manager and the Comptroller pursuant to Section 7-373 of the Statutes, and be approved as to their legality by Pullman & Comley, LLC, Bond Counsel. They shall be issued with maturity dates which comply with the provisions of the Statutes governing the issuance of such notes, as the same may be amended from time to time. The notes shall be general obligations of the City and each of the notes shall recite that every requirement of law relating to its issue has been duly complied with, that such note is within every debt and other limit prescribed by law, that the full faith and credit of the City are pledged to the payment of the principal thereof and the interest thereon and shall be paid from property taxation to the extent not paid from other funds available for the payment thereof. The net interest cost on such notes, including renewals thereof, and the expense of preparing, issuing and marketing them, to the extent paid from the proceeds of such renewals or said bonds, shall be included as a cost of the Project. Upon the sale of said bonds the proceeds thereof, to the extent required, shall be applied forthwith to the payment of the principal of and the interest on any such temporary borrowings then outstanding or shall be deposited with a bank or trust company in trust for such purpose.

Section 7. Resolution of Official Intent to Reimburse Expenditures with Borrowings. The City (the "Issuer") hereby expresses its official intent pursuant to §1.150-2 of the Federal Income Tax Regulations, Title 26 (the "Regulations"), to reimburse expenditures paid sixty days prior to and after the date of passage of this ordinance in the maximum amount and for the capital project defined in Section 1 with the proceeds of bonds, notes, or other obligations ("Bonds") authorized to be issued by the Issuer. The Bonds shall be issued to reimburse such expenditures not later than 18 months after the later of the date of the expenditure or the substantial completion of the project, or such later date that the Regulations may authorize. The Issuer hereby certifies that the intention to reimburse as expressed herein is based upon its reasonable expectations as of this date. The Comptroller or his designee is authorized to pay project expenses in accordance herewith pending the issuance of reimbursement bonds, and to amend this declaration.

Section 8. The City Manager and Comptroller are hereby authorized to exercise all powers conferred by Section 3-20e of the General Statutes with respect to secondary market disclosure and to

provide annual information and notices of material events as enumerated in Securities and Exchange Commission Exchange Act Rule 15c2-12, as amended, as may be necessary, appropriate or desirable to effect the sale of the bonds and notes authorized by this ordinance.

Section 9. In order to meet the capital cash flow expenditure needs of the City, the City Manager and Comptroller are authorized to allocate and reallocate expenditures incurred for the Project to any bonds or notes of the City outstanding as of the date of such allocation, and the bonds or notes to which such expenditures have been allocated shall be deemed to have been issued for such purpose.

Section 10. It is hereby found and determined that the issue of all, or a portion of, the bonds, notes or other obligations of the City authorized to be issued herein as qualified private activity bonds, or with interest that is includable in gross income of the holders thereof for purposes of federal income taxation, is in the public interest. The City Manager and the Comptroller are hereby authorized to issue and utilize without further approval any financing alternative currently or hereafter available to municipal governments pursuant to law.

Section 11. The City Manager and Comptroller are hereby authorized to prepare and distribute preliminary and final Official Statements of the City, to execute and deliver on behalf of the City all such other documents, and to take all action, necessary and proper for the sale, issuance and delivery of any bonds or notes relating to the Project in accordance with the provisions of the Statutes and the laws of the United States.

Section 12. This ordinance shall not take effect unless and until adopted by the City Council and approved at referendum.
