Mayor Nystrom opened the Public Hearing.

Marvin Serruto, 100 Starr St, talked about the high percentage of the budget money that is being allocated to the Board of Education. He also stated there needs to be a better and more efficient way to keep the budget down.

Larry Rice, Will Rd, thanked the Council for their work. He stated that people have suffered because of the pandemic and asked the Council to make this budget right to help the taxpayers in Norwich. He stated that many taxpayers won't be able to afford a tax increase.

Rodney Bowie, 62 Roosevelt Ave, spoke against the school budget increase and asked to keep the school budget low so taxes can stay low.

Mayor Nystrom closed the Public Hearing at 7:40 pm
