Correspondence:

Old Business:

Wreath making – The event went well with good turnout from community members. Looks like something we should do again next year.

Open house – postponed. Will reconsider later in the spring.

Giving Tree – As usual it went over well with community members. City took it down shortly after Christmas.

New Business:

Nancy spoke on extending the historic village with a northern boundary at the Taftville border. She will look into this further.

There are still areas where the sidewalks need improvement. Sofia will look into this further and report back.

There was some discussion on having signage for walking loops so people know how many steps or miles it is to walk a designated route. Kathy will look into this further and report back with some ideas.

The Little Free Library is looking pretty drab. Sofia is going to take it down and give it a new paint job!

Zechariah will look at the kiosk and see what can be done to spruce it up.

There was some talk of doing a spring event at the park. Maybe have UCFS and/or Bacus come down and offer testing or vaccinations, and Otis library do some book readings. This will be discussed further at the next meeting.

There was talk of doing a spaghetti dinner this fall to honor volunteers. This will be discussed again.

A spring trash cleanup is being planned for around April 22nd. Zechariah is reaching out to the Navy for volunteers. More details to follow.
